

Progressive Democrats Sonoma County
Affiliated with Progressive Democrats of America (PDA)

We strive to work in our local community to support the mission and goals of PDA, to support our newly formed California State Democratic Progressive Caucus, and to work collaboratively with like-minded individuals and organizations to achieve our mutual goals — justice and democracy at all levels, and the preservation and restoration of The Commons. We join the growing grassroots social change movement to strengthen progressive values and politics in America -- promote progressive candidates and issues, organize and win.
